

YOUR CHURCH NEEDS YOU!

Our village church has been at the heart of our community for generations

But its future is now uncertain.

The church is facing significant financial pressures and, without change and additional support, current funds are only expected to sustain it for the next few years.

As part of the Parish Council Meeting on 5th October, representatives from the church will give a short presentation explaining the current situation and discussing what the future could look like.

We would really like the community to be part of that conversation. There may be different ways we can support the church, increase its use, raise funds or find new opportunities for this important village building.

We need your ideas, your views and your support. Whether you attend church regularly, occasionally, or not at all, the church is part of our village and its future affects the whole community.

**5th October, 7.30pm,
Jubilee Room**

Come and hear about the challenges facing the church, ask questions, share your ideas and help us explore what might be possible.

**What could our church
become for the next generation?**
